

SATHYABAMA
INSTITUTE OF SCIENCE AND TECHNOLOGY
CENTRE FOR CLIMATE CHANGE STUDIES

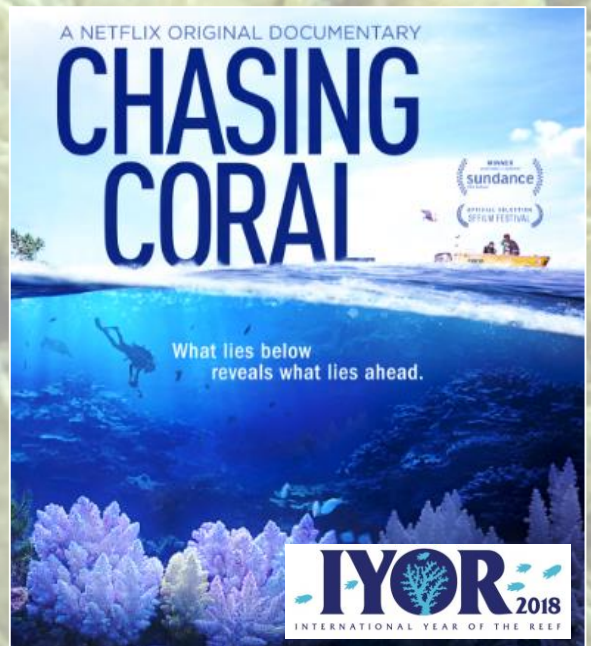

Cordially invites you all for the inauguration of

Marine Ecology Researchers' Club (MERC)
&
Citizen Marine Science Program (CMSP)

Followed by streaming of **Chasing Coral** – A Netflix original documentary to create awareness and to celebrate International Year of the Reef (IYOR) 2018

Date: October 8, 2018 (Monday)
Time: 9.30 to 13.00 pm
Venue: IRC Auditorium (1st floor)

Join us for the ocean adventure as we uncover the underwater paradise of why coral reefs are disappearing. Stay with us to discuss what you can do to #savecoral
